

RESUME

Nicholas L. Clesceri, Ph.D., P.E., F. ASCE
Professor of Environmental Engineering (Emeritus)
Rensselaer Polytechnic Institute

Clesceri Associates, Ltd.
Bolton Landing, NY 12814
Email: claltd@gmail.com

P.E. Registration: Wisconsin (No. 28611)

Marquette University, Milwaukee, Wisconsin B.C.E. (Civil Engineering)
University of Wisconsin, Madison, Wisconsin M.S.C.E., PhD (Sanitary Engineering)

Post Graduate: Swiss Federal Institute of Technology, Institute for Water Supply, Sewage
Purification and Water Pollution Control (EAWAG)

PROFESSIONAL CAREER AND ACTIVITIES

- 1963-1965 PHS-WQO Postdoctoral Research Fellow, Institute for Water Supply, Sewage Purification and Water Pollution Control, Swiss Federal Institute of Technology, Zurich, Switzerland
- 1965-1969 Assistant Professor, Environmental Engineering
Rensselaer Polytechnic Institute, Troy, NY
- 1966-1970 New York State Department of Health, Commissioner's Committee on Algae and Related Problems, Albany, NY
- 1966-1975 Nutrient Analysis Subcommittee, Standard Methods Committee, Water Pollution Control Federation
- 1966-1971 Manual of Practice Subcommittee, Tertiary Treatment Practice Comm., Water Pollution Control Federation
- 1968-1974 Site Director, Lake George, NY Site, Eastern Deciduous Forest Biome, U.S. International Biological Program, Analysis of Ecosystems Program, NRC-NAS (NSF Ecosystems Analysis Funded)
- 1968-1974 Member, Executive Committee, Eastern Deciduous Forest Biome, U.S. International Biological Program, Analysis of Ecosystems Program, NRC-NAS (NSF Ecosystems Analysis-Funded)
- 1969-1972 Director and Founder, Lake George Water Research Center
Rensselaer Polytechnic Institute, Troy, NY
- 1969-1975 Associate Professor, Environmental Engineering
Rensselaer Polytechnic Institute, Troy, NY
- 1972-1979 Director, Rensselaer Fresh Water Institute at Lake George
Rensselaer Polytechnic Institute, Troy, NY
- 1975-2004 Professor, Environmental Engineering, Rensselaer Polytechnic Institute
- 1976-1984 Chairman, Joint Task Group on Phosphate for the Water Pollution Control Federation, Standard Methods Committee, STANDARD METHODS

1976-1977	Vice President, Hudson River Environmental Society, Inc., Bronx, NY
1977-1987	President, Hudson River Environmental Society, Inc., Bronx, NY
1977-2000	Board of Directors, Hudson River Environmental Society, Inc.
1978-1982	The Environmental Advisory Board, United States Army Corps of Engineers
1982-1984	Chairman, Research Committee, Association of Environmental Engineering Professors
1983	The Soap and Detergent Association, New York, NY (Sabbatical Leave)
1984-1986	Board of Directors, Association of Environmental Engineering Professors
1987-1992	Co-Chair, Interschool Department of Environmental Engineering and Science, Rensselaer Polytechnic Institute, Troy, NY
1985-2000	Director, Program of Environmental Engineering, Rensselaer Polytechnic Institute
1991-1998	Director, The Rensselaer-State Engineering University of Armenia Cooperative Program
1994-Date	Deputy Project Director, Dredged Material Management, Decontamination Technologies (NY/NJ Harbor), USEPA and US Army Corps of Engineers (Leave of Absence)
1998-Date	Member and Chairman, Technical Advisory Committee, Watershed Protection and Partnership Council (New York City) – Governor Pataki’s Appointee.
2000-2004	Program Director, Environmental Engineering, National Science Foundation, Arlington, VA (leave of absence from Rensselaer)
2004-Date	Affiliate Member, Conferences Committee, Engineering Conferences Foundation, Engineering Conferences International (successor to United Engineering Foundation Conferences)
2005-Date	Professor of Environmental Engineering (Emeritus), Rensselaer Polytechnic Institute
2005-Date	Technical Liaison, WATERS Network Project Office

PROFESSIONAL SOCIETY MEMBERSHIPS

American Society of Civil Engineers (Life Member)
 Association of Environmental Engineering and Science Professors
 Hudson River Environmental Society, Inc.
 Water Environment Federation
 New York Water Environment Association, Inc.
 Federal Water Quality Association, (VA)

HONORS AND AWARDS.

National Science Foundation, Engineering Initiation Grant, 1966-68
 Chi Epsilon, Honorary Civil Engineering Fraternity, October 1969
 “Honorable Professor” Scientific Council of Hrachia Acharian University, Armenia, April 1992
 Listed in: American Men and Women of Science
 Who’s Who of American Business Leaders
 Who’s Who in Engineering
 Fellow, American Society of Civil Engineers, Fall 1999
 Association of Environmental Engineering and Science Professors “Distinguished Service Award for Leadership and Vision in Service to the Association”, 2005
